Confirmation is the Affirmation of Baptism. If your child makes the decision to be confirmed, he or she will have had to have been baptized in advance. If your child has not been baptized, we will provide the opportunity.

- My child has been baptized. If so, when and where? \_\_\_\_\_
- My child will need the opportunity to be baptized.

Name as you and your child would like it to appear on his or her Confirmation Certificate should your child choose to be Confirmed \_\_\_\_\_

The 2015-16 Confirmation Class will meet throughout the year in both large and small group settings. These meetings will be held twice per month at the church, with additional activities scheduled offsite.

Confirmands will be assigned a small group based on the information you provide below. Please help us by listing the names of at least three, and if possible six, Confirmands with whom your child is comfortable working and sharing (see the back of this page for reference). As we form our small groups, we will make sure each Confirmand is paired with at least one person he or she has listed below. However, if fewer than three names are listed, we will not have enough flexibility in creating the groups and we will be unable to fulfill your requests.

- 1) \_\_\_\_\_ 2) \_\_\_\_\_
- 3) \_\_\_\_\_ 4) \_\_\_\_\_
- 5) \_\_\_\_\_ 6) \_\_\_\_\_

Are there any sensitive relationships for your child in this class that we should know about or any special considerations we should take into account as we create the small groups?

## Preliminary Class List

Our church office created the list below in an effort to help you make your small group requests. For the most part, students appear on this list if they have participated in Church School and/or Junior Fellowship and are currently in 8th grade. I have also added a few high school students to the list who were unable to participate in Confirmation when they were in 8<sup>th</sup> grade and have expressed interest this year.

Please keep in mind that some of the students listed may decide not to sign up for Confirmation, and that's okay. At the same time, there may be some additional folks not listed who will join the class, and we will gladly welcome them.

As I mentioned in my letter, we encourage you to think about your friends and whether or not one or more of them would be interested in joining us for Confirmation. Please talk to them and invite them to our Confirmation Potluck and Information Meeting on the 18th. Feel free to share my contact information with them as well; I would love to talk with them!
